Little Owls Pre-School

Preparation for School

Following on from our well planned Pre-School, the children are well equipped with essential foundation skills to move on confidently and independently to their chosen primary school. Many of our children move up to Reception at Bramcote Junior School to continue their excellent start and others move on to a variety of local primary schools.

Please call Jackie Hunter, Head of Pre-School, on 01723 362137 to arrange an informal visit.

Little Owls

A Distinctly Different Pre-School

We offer one of the *best* possible starts to a child's education

Little Owls Pre-School expanded and relocated in 2013 to the former Bramcote School site off Belvedere Road in Scarborough. The indoor facilities are newly refurbished yet benefit from the same dedicated staff and wonderful play resources. Set within beautiful surroundings and with access to an enormous outdoor play area, Little Owls offers unrivalled pre-school facilities.

Nurturing atmosphere

Pre-School combines all the advantages of a conventional nursery with a wonderful range of learning opportunities to provide boys and girls from the age of three with the best possible start.

Engaging curriculum

We work according to the EYFS framework to ensure all children learn and develop well and are kept healthy and safe.

Funding

All 3 and 4 year old children receive the guaranteed 15 hours' government funding, the same at Little Owls as in any other private setting.

We can, however, offer the 15 hours spread across 3 half days (a half day is equivalent to 5 hours) making our provision a great choice for working parents.

Wrap around care from 8am to 6pm is also included in our fees and our funded sessions. Funding is available from the term after the child's third birthday, although children may join Little Owls during the term in which they turn three. This funding is available until the end of the term in which their fifth birthday falls and can be used throughout the Reception year for those who choose to send their children through Bramcote Junior School.

Putting your child at the *heart* of what we do
